**ALUMNI DONATIONS**

=====

Since 1990 the Ashland All Schools Association's Alumni and reunion committees have collected donations from graduates for projects to help the school. The amount collected totals over \$16,000.00. Through the registration form, \$3,325 has been donated to the school to maintain the track, help with scholars bowl, or anywhere it was needed.

A donation of \$1049 fixed and added to the frame for the graduation pictures that hang outside the gym, while \$5000 was donated toward building the concession stand/bathrooms at the football field and track. \$2000 purchased a sound system while \$2500 was used to purchase AHS sideline chairs used at basketball games and other events. In 2014, \$2500 helped purchase the new banners that hang in the gymnasium. Money was raised by selling the older banners and holding a soup supper during a basketball game.

=====

**ATHLETIC FIELD RENAMED**

=====

Ashland High School honored two former distinguished teachers and coaches, Larry Rich and Tom Gilmore at the first home football game on Friday September 12, 2014. The football field and track facilities before September 12 were known as the JE Humphreys Athletic Field. The new name is JE Humphreys Sports Complex. The Football field was renamed the Larry Rich Field and the track Tom

Gilmore Track. A new sign hangs on the west wall of the concession stand telling of the change.

Jason Endicott, AHS Activities Director, said, "We've been considering re-naming the field and track for some time, and now that the track renovations have been completed, its finally time to honor those two coaches who made such a difference to several generations of AHS students."

Track renovations were completed in 2012 thanks to a generous donation by the Frank and Gertrude Doyle Foundation. Coach Rich and Coach Gilmore were both inducted into the Kansas Teacher's Hall of Fame. Coach Rich and his family and the family of Tom Gilmore were present for the ceremony before the Ashland vs Fowler football game.

=====

**SCHOOL BANNERS UPDATED**

=====

The Ashland All Schools Association (AASA) and the Ashland High School Booster Club purchased a new set of school banners for the gym and unveiled them at the February 21, 2014 basketball game. Before and during the game, the public and alumni had a chance to purchase the former banners by way of a silent auction set up in the hallways to help defray the cost of the new banners. In addition the Ashland All Schools Association sponsored a soup supper with all proceeds going for the banners.

The new banners were unveiled during halftime of the basketball game. Alice Rich and Robin McPhail were recognized for designing and making the original banners and each was given a floral bouquet by Kim Hazen, Treasurer of the AASA. During the ceremony a member or coach of each sport or academic achievement pulled a string unveiling the new banner. Recent achievements can easily be added to the banners.

=====

**HALL OF FAME**

=====

The Ashland High School Hall of Fame is dedicated to commemorating the outstanding accomplishments of its students, athletes, faculty and alumni. Founded in 2001, the Hall of Fame is located in the main hallway near the office. Inductees are honored by having their photograph and information about their significant achievements added to the hall.

The criteria for induction into the Hall of Fame is that the teams or individuals have brought pride and honor to Ashland High School through their outstanding achievements. To nominate an individual or team for induction consideration contact the school for information to complete and submit the Hall of Nomination Form. Students and faculty are eligible one year after leaving Ashland High School. Alumni are eligible at any time for recognition to themselves and/or to Ashland High School that they have attained after leaving Ashland High School.
